Thank you,

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE JOINT PETITION FOR EXTENSION OF SUSPENSION DATE AND THE DATE TO FILE FURTHER SUSPENSION REQUEST

DOCKET NUMBER TC05-137

Supplemental Petition of RC Communications

COMES NOW RC Communications ("RC"), by its undersigned attorney and hereby separately petitions the Commission to extend the date by which RC Communications must implement LNP.

1. RC initially joined in the Joint Petition in Docket No. TC 05-137.
2. Since the date of filing of the Joint Petition, RC has upgraded its switch in the Summit exchange and has taken steps to implement LNP.
3. There are no competitive wireline carriers in the Summit exchange, and RC has not received any bona fide requests for intramodal LNP in the Summit exchange. Therefore, RC has no obligation to provide intramodal LNP in the Summit exchange.
4. With regard to provisioning of intermodel LNP in the Summit exchange, RC has no obligation to provide intermodal LNP because of this Commission's suspension and because of the stay imposed by the U.S. Court of Appeals, DC Circuit.
5. Accordingly, RC is requesting this Commission to extend its obligation to implement intermodel LNP, but because of the steps it has already taken, requests the Commission to extend the suspension to fully implement LNP or to request a further suspension from this Commission for only 120 days following completion and publication of the RFA.

Dated this 1st day of November, 2005.
